The Principal/Coach/Team Manager

Dear Sir/Madame,

It is with pleasure that we invite your organisation to the 48th renewal of the Gibson McCook Relays. We look forward to an exciting and safe 2025 event in a year with a number of worldwide championship events.

Our relay carnival takes place as usual on the last Saturday in February, in Jamaica's National Stadium. The meet date therefore falls on Saturday February 22, 2025.

Being an invitational event, there is as usual, no entry fee. Your team member names and dates of birth will be crucial inputs when you register. Registration is to be done via our website.

Our registration deadline is Monday January 27, 2025. Please ensure that you provide your athlete information before this deadline to ensure inclusion in the meet.

Please note that:

- Teams are allowed to list a maximum of six (6) relay competitors of which any four (4) may compete.
- Please pay very close attention when you provide the date of birth for each athlete. This is required to verify performances.
- Once you register on time, team entry packages will be made available for pick-up during the week of the relays.
- All ISSA age group, World Athletics (WA) and meet rules apply.
- Meet rules are posted on our website and are updated during January each year.
- The publication of the official start list will confirm your team's registration in an event.
- 1st, 2nd, and 3rd place medals will be awarded along with the commemorative Gibson McCook watches for the winners of Championship events. Please ensure that at least one team member is on time for the very fast-paced awards ceremony which takes place shortly after the final.
- The Neville "Teddy" McCook Trophy and the PUMA cash prize of J\$150,000.00 will be awarded for the Best Overall Performance. A special award of J\$100,000.00 will also be awarded to the Best Performing High School - Girls and Boys.
- There is also a cash award for each Championship record broken.
